

**St. Francis Memorial Hospital**  
**Community Health Needs Assessment Implementation Plan**  
**2017-2019**

**CHNA Priority #1—Obesity**

1. Promote healthy vending machines in communities, schools (including concession stands), and workplaces
2. St. Francis Memorial Hospital will work with Chamber of Commerce to establish West Point as a site for the Bountiful Basket program
3. SFMH will have a healthy cooking demonstration at least four times per year for employees and explore offering it to community
4. SFMH health coaches and registered dietician will provide nutritional counseling and healthy eating habits for our patients, staff and local students

**CHNA Priority #2—Access to Care**

1. SFMH will collaborate with Northern Nebraska Area Health Education Center (AHEC) to familiarize youth about careers in; Medicine (primary care), Psychiatry/mental or behavioral health, and Public Health
2. SFMH will continue to have job shadowing available to individuals interested in healthcare
3. SFMH will provide clinical rotations for mental health APRNs through our Psychiatric Nurse Practitioner
4. SFMH will continue active involvement with the Northeast Nebraska Behavioral Health Network
5. Enhance public knowledge of resources available within the community for mental health

**CHNA Priority #3—Cancer Prevention and Screening**

1. SFMH will provide on-site preventative screening at a reduced cost to the community and area businesses through Business Health
2. SFMH will provide free skin checks for employees as well as the community.
3. SFMH will remind individuals in our service area of the need for colonoscopies, mammography's, etc. via letters or phone calls.

4. Increase cervical cancer screen (Pap test) for women between the ages of 21 to 65
5. Continue radon screening program on fee-for-kit basis

**CHNA Priority #4—Standard Motor Vehicular Safety**

1. SFMH will provide 3 child safety seat checks in our service area per year
2. SFMH to support high schools in promoting safe driving programs
3. SFMH will collaborate with Nebraska State Patrol to host selective enforcement checks. This practice limits drunk-driving

The Franciscan Care Services, Inc. Board of Directors approved and adopted the Community Health Needs Assessment Implementation Plan on Tuesday, November 22, 2016.
